HENRY M. SMITH,
Marble Hill, Missouri.

THE ELVES ARE is to become the property of the labor unions of the lead belt and will be independent in politics.

THE LUTESVILLE BANNER has changed hands; the Banner Printing is said to be the purchaser. Success to you.

THE relations of Russia and Japan are certainly "strained" if nothing worse results from the occupation of Manchuria by the bear.

CHARLES R. PRATT is now editor of the Lead Belt News. Bro. Pratt was editor of the St. Francis Herald a number of years and understands how to make a newspaper. W. H. Lewis will manage the business.

SINCE the "advanced" coons of Boston censured President Roosevelt for approving of Booker Washington the "race problem" is becoming too complicated for the average republican paper to tackle.

RUSSIA claims that her occupation of Manchuria is another attempt at "benevolent assimilation," so to speak. Japan seems to think they can attend to all that in the Orient without the assistance of outsiders.

THE world is on the eve of the greatest revival since the days of Constantine, says Rev. Ian MacLaren, the noted divine and author; and a contemporary says it must be on the theory that the darkest hour is just before dawn.

AND now they propose to put our senators and representatives in Congress to a whole lot of trouble by prohibiting the sale of liquor in the national capital. This will compel our solons to turn out in the cold and walk two or three blocks for their drinks.

IT comes to us straight that a shoe manufacturer—a Boston man, no doubt—will stop his part of the production of patent leathers because, he says, they cause "awful enlargements over the metatarsal phalangeal joint of the great toe." Don't that jar you? Not another patent leather for us, if you please.

"No one," says the Globe-Democrat, "can accuse President Roosevelt of lack of courage. He took up the Miller labor case and handled it without regard to its possible effect at the polls." Miller was assistant foreman of the government bundery. For incompetence and gross mistreatment of his fellow workmen he was discharged, and Mr. Roosevelt ordered that he be reinstated, and that all there is to the president's big exhibition of nerve.

The Salve That Heals without leaving a scar is DeWitt's. The same Witch Hazel is applied to many sores, but DeWitt's Witch

Hazel Salve is the only Witch Hazel Salve made that contains the pure unadulterated witch hazel. If any other Witch Hazel Salve is offered you it is a counterfeit. E. C. DeWitt invented Witch Hazel Salve and DeWitt's Witch Hazel Salve is the best salve in the world for cuts, burns, bruises, tetter, or blind, bleeding, itching and protruding piles. Sold by Dr. S. M. McNally.

Millionaire's Poor Stomach.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach trouble for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size 75c, at Dr. McNally's.

Southeast News.

The local option election was held in Stoddard county Tuesday, (yesterday) but we have not learned the result.

An election was held at De Soto October 18, at which time the voters of that thriving little city decided to issue bonds in the sum of \$70,000 to be expended in the construction of a system of water works. The vote stood 512 to 153.

Dunkin Democrat. Judge Fort has called Judge Anthony, of Fredericktown, to sit in the criminal cases against Judge J. G. Wear, E. A. Lantz, B. W. Stone and W. F. S. Taylor, at Poplar Bluff. These are the men charged with bribing jurors in the Sanders murder case.

Greenville Sun. We were called to Springfield last week before the federal court to explain how a rascal named M. S. Glenn of Mountain Grove, Mo., had swindled us by fraudulent use of the mails. We, with a number of other newspaper brethren victims, explained the matter, and Uncle Sam now is seeing after Mr. Glenn's welfare, and before the matter is disposed of we expect to hear of Mr. Glenn taking up his residence in Jefferson City for a few years, as a guest of the penitentiary warden.

A Perfect Painless Pill

is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectively are DeWitt's Little Early Risers. Bob Moore of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by Dr. S. M. McNally.
